

BUBECK
Yacht & Aircraft Service

We took advantage of the break and have great news for you!

Newsletter 08/2020

*The last months have been challenging for the aviation industry.
Nevertheless, we worked tirelessly to expand our service for you.
We are happy to update you with the following news.*

EASA Part 21G approval Production Organization Approval

We are proud to announce, that in addition to our EASA Part 145, Yacht- & Aircraftservice Bubeck GmbH has extended its scope of work with the Part 21G Approval of the European Aviation Safety Agency (EASA).

From May 2020 on we are finally able to provide all needed documentation not only for repairs but for all services such as Engineering order, minor & major changes, STC and EASA Form 1 on our own authority.

Please [click here](#) to find corresponding certificate & approval on our website.

NEW CERTIFIED LOCATION in Euroairport Basel

To extend our service and to be more flexible in fulfilling customer's needs we received the official approval for our new facility at Euroairport Basel.

We are proud to grow and expand to offer you the best and most complete service.

contact us

On behalf of the complete Bubeck team, we would like to thank you for the great cooperation over the last years and the trust you have placed in us.

Please be assured that we will do our best and continue to provide the high-class Bubeck service in its well-known quality.

...and there is more to come...so stay tuned!
